1. When registering at the University, I was not diagnosed with any infectious diseases, mental disorders, or other serious conditions as defined by the Macao Health Bureau that would make me unfit for on-campus study or communal living. I understand that any such condition would result in my registration being refused, though my admission status may be retained for up to one academic year.
2. I fully understand and accept that the information provided upon my registration as a student will form part of my academic records and may be used for purposes compliant with the University or legal requirements.
3. I understand that if I was not classified as a Mainland China student upon admission, I am not permitted to change my status to that of a Mainland China student thereafter.
4. I understand that students who are not issued an Accredited Acceptance Letter or who do not possess a “Type D – Stay” endorsement at the time of enrolment will not receive assistance from the University in processing or renewing a “Special Authorization to Stay for Non-resident Students”. In addition, they will not be issued testimonial for stay permit extensions or other relevant purposes.
5. I acknowledge that if I do not meet CSCSE’s certification requirements—such as not possessing the Accredited Acceptance Letter issued by DSEDJ, holding a “Type D – Stay” endorsement, or failing to meet the required number of days of stay (as defined by CSCSE)—the degree I earn from the University will not be eligible for CSCSE certification.
6. All information I submit to the University is true and valid without any additions or alterations. If, upon verification, my previous academic qualifications are found to be non-compliant, false, or inaccurate, I will be ineligible to enrol, and any granted student status will be revoked. Should this be discovered after graduation, my graduation certificate will be revoked, and the cancellation of my graduation status will be publicly announced. Any suspected cases of forgery or use of false documents will be referred to the police.
7. I understand that the University does not retain personnel records for students, and it is recommended that Mainland students deposit their files with the local talent exchange centre of their place of permanent hukou location.
8. I consent to the University collecting, using, and verifying my personal information during my studies, which includes (but is not limited to) identification documents, previous educational records, movement records, and contact information. When necessary, and in compliance with the Personal Data Protection Law, the University may verify information with relevant entities or authorize other entities to transfer my academic records to the University, including cases of transfer outside Macao.
9. I fully understand the “Legal Regime of Immigration Control, Stay and Residence Authorization of the Macao SAR” and am aware of the duration for my permitted stay in Macao. Non-Macao ID holders who violate the regulations for “Special Authorization to Stay for Non-resident Students” may have their “Special Authorization to Stay” terminated, which may affect their ability to complete their studies.
10. I understand that during my studies, I must adhere to the University’s Postgraduate/Student Handbook and all other applicable rules; otherwise, I may face disciplinary actions or consequences affecting my academic standing.
11. I understand that my programme is a full-time, in-person programme. Students are required to attend classes, examinations, and other activities as scheduled by the University. Any forgery of attendance records or fraudulent means to earn credits/grades will be subject to disciplinary actions.

14. I understand that all official information or notifications from the University will be made via my University-assigned email, the campus system notices, or the University website and the bulletin board. It is my responsibility to check these sources regularly for the latest information.

本人願意並保證遵守上述條款，若因上述原因造成學業中斷、學籍被註銷、學歷/學位被褫奪或不被留服中心認證等，將承擔由此引起的一切後果和相應法律責任，所有已繳交的學費等相關費用將不會被退還。本人亦明白，若作虛假、不確實或不真實的聲明，或使用欺詐手段，須承擔倘有的刑事責任。

I guarantee and am willing to comply with the above terms.
